ORDER RE DAMAGES DISCOVERY  
SCHEDULE**

Opening expert reports on damages are currently scheduled to be due on May 8, 2006, with rebuttal expert reports scheduled to be due on May 29, 2006. BODI is currently still producing documents relevant to damages to produce. The 30(b)(6) deposition of BODI on damages issues is currently scheduled for May 19. Informatica is entitled to depose BODI before preparation and exchange of its opening damages expert report. In addition, Informatica is currently still producing documents relevant to damages. Informatica is also investigating the availability of a 30(b)(6) witness to testify on damages topics designated by BODI. BODI is entitled to depose Informatica before preparation and exchange of its opening damages expert report. As both parties are still engaging in damages discovery, the parties have agreed to extend the dates for the damages expert report, with a corresponding extension for damages discovery cut-off. The schedule for dispositive motions remains unchanged. The parties hereby respectfully request the Court adopt the schedule set forth below.
